Life and Character Reading.

SEPTEMBER 29.

People born on this date come under the complex sign of Virgo-Libra and the combination gives us a delightful character, full of vim and enthusiasm.

These people are intense lovers of nature and beauty in any form, and have the faculty of producing beautiful results in dress and household arrangements. The arts and sciences flourish in this sign.

Here again, as in the case of Leo-Virgo, the Earth comes as a steady factor, to this the most airy, impulsive sign of the Zodiac. There is the same fondness for the out-of-doors, sunshine, blue sky, trees and flowers.
